ABOUT

I am currently pursuing a degree in Computer Science Engineering with hands-on experience in web development. I am passionate about building responsive and user-friendly web applications, and I continually strive to expand my skills in both front-end and back-end technologies. In addition to web development, I have a strong interest Artificial Intelligence and Machine Learning. I am eager to apply my knowledge in real-world projects and contribute effectively to innovative solutions in a dynamic, growth-oriented environment.

SKILLS

▪ **Programming Languages:** Java, Python, C, C++

▪ **Web Technologies:** HTML, CSS, JavaScript

▪ **Database:** SQL

▪ **Tools & IDEs:** Visual Studio Code, Eclipse, NetBeans

EDUCATION

Bachelor of Engineering (B.E.), Computer Science Engineering
Bannari Amman Institute of Technology, Sathyamangalam
An Autonomous Institution Affiliated to Anna University, Chennai
September 2023 – Present

Higher Secondary Certificate (HSC) – CGPA: 9.6
Mahendra Matric Higher Secondary School, Kalipatti, Namakkal
June 2021 – May 2023

Secondary School Leaving Certificate (SSLC)
Vivekananda Balamandir Matriculation School, Attayampatty, Salem
2020 – 2021

PROJECTS

Event Management Website – Build using HTML, CSS, JavaScript

I had the privilege of leading the development of an innovative event management website using HTML, CSS, and JavaScript. The website stands as a user-friendly and feature-rich platform, poised to enhance the event management experience for both organizers and attendees.

Chatbot AI – Built using HTML, CSS, and JavaScript

Led the development of an interactive AI-based chatbot web application using HTML, CSS, and JavaScript. The chatbot is designed to simulate human-like conversations, providing instant responses to user queries in a user-friendly interface. This project enhances user engagement and showcases the integration of front-end technologies with simple AI logic for real-time interaction.

Portfolio Website – Built using HTML and CSS

Designed and developed a personal portfolio website using HTML and CSS to showcase my skills, projects, and certifications. The website features a clean, responsive layout with intuitive navigation, providing visitors with a clear overview of my professional profile. This project highlights my front-end development abilities and attention to design aesthetics.

CERTIFICATIONS AND ACHIEVEMENTS

- ☐ **Java Programming –** Beginner to Advanced – Udemy
- ☐ **HTML**: The Complete Guide for Beginners – Udemy
- ☐ **Python Developer Certificate** – Coursera
- ☐ **Certificate of Participation** – Yugam Tech Event, Kumaraguru college of technology
- ☐ **Web Development Intern** – CodSoft (Completed Internship)

KEY SKILLS

- ☐ Strong communication and Interpersonal skills
- ☐ Time management ☐ Team collaboration ☐ Leadership

DECLARATION

I hereby declare that the information provided in this resume is true to the best of my knowledge

Place: Salem   Yours sincerely,

                                                                              Nandhitha K.
